Citizens of Montague County:

As most of you are aware, Governor Abbott held a press conference today regarding an update on COVID-19 issues in Texas. I believe this update will have a positive effect on Montague County. As he stated today, effective Monday, September 21, gyms, exercise facilities, manufacturing companies, museums, libraries, office-based employers, restaurants, and retailers may operate at 75% occupancy.

As I have previously stated, I will continue to inform all of you as new information and/or changes come to my office. Please continue to be vigilant, responsible, and use common sense regarding your health, your family's health and the health of your neighbors.

Again, I would encourage each of you to read Governor Abbott's most recent update at gov.texas.gov/opentexas.

Thank you.
